FOR IMMEDIATE RELEASE

MSA's NIOSH-approved Responder™ CBRN PAPR protects first responders longer than APRs

Pittsburgh, Pa., May 2007— **MSA's new Responder CBRN PAPR is the first CBRN Powered Air-Purifying Respirator with a tight-fitting facepiece** (choice of Millennium® or Ultra Elite®) **to be approved by NIOSH for protection against CBRN.** (CBRN stands for Chemical, Biological, Radiological, and Nuclear agents.)

The C420 motor-blower provides constant air flow of at least 115 lpm to the facepiece. The Responder PAPR is used with a CBRN cartridge or—for non-CBRN use—with a multiple-gas/particulate chemical cartridge.
