

FP Pro™ Harnesses

FP Pro™ Harnesses

FP Pro Harness

The FP Pro Harness provides comfortable protection even after long hours of use in extreme conditions due to its super lightweight features and durable webbing. The harness is available in cross-chest and vest styles, with optional hip D-rings for work positioning, and fits a wide range of body types and sizes. Color-contrasting thigh and torso straps simplify donning. The FP Pro Harness has the following features :

- Easy to don and adjust - donning and adjusting instructions provided in English, Spanish, and French
- Abrasion resistant polyester webbing
- Bright red polyester webbing for high visibility
- Lightweight design for increased comfort
- Meets OSHA regulations and ANSI A10.14 & ANSI Z359.1
- CSA Z259.10-M90

FP Pro Harness with Modular Tool Belt

- Kit includes harness with tool belt support straps and modular tool belt
- Available with Qwik-fit or tongue buckle leg straps on harness
- 1 kit part number simplifies ordering

FP Pro Harnesses/Onyx™ Lanyard Kits

Two great products in one easy to order kit! These kits are available with your choice of a Cross Chest or Vest Style FP Pro Harness with Qwik-fit leg straps, with or without hip D-rings, and with a single or twin leg Onyx Shock Absorbing Lanyard.

The Onyx Lanyard is a sleek, innovative design in shock-absorbing lanyards! The lightest weight lanyard available, the Onyx lanyard features a strong, durable sheath. It is also bi-directional, making it even easier to train your personnel. Meets ANSI A10.14 and OSHA regulations.
