Dyna-Lock™ 20' Wire Rope SRL

[Durable, Dependable, Dyna-Lock. Enough Said.]

Dyna-Lock™ 20' Wire Rope SRL

- No factory re-certification required
- Arrests Fall within 20 inches
- Three independent locking/braking mechanisms
- Integral shock absorber limits fall arrest forces to 900 pounds
- Visual impact-load indicator on snaphook
- 20f wire rope available in galvanized or stainless steel
- Additional Lifeline reserve of 2f
- Swivel snaphook to help prevent birdcaging or kinking of lifeline
- Roller Nozzle reduces wear on cable
- Durable Stainless Steel and extruded aluminum housing
- Light weight
- Integral carrying/mounting handle
- Meets all applicable OSHA and ANSI standards

The Dyna-Lock is designed to allow freedom of movement for workers that are exposed to fall hazards. As a worker moves, the lifeline automatically extends and retracts to keep the lifeline out of the workers' way, thus creating a safer work environment. Its durable steel and aluminum housing, as well as the corrosion resistant internal components, will provide years of service. Without a factory re-certification requirement, the cost of ownership of a MSA mechanical product is lower than ever.
