

# APTURA™ LT30 Self-Retracting Lanyard (SRL)

## Features & Benefits

FEATURE	BENEFIT
<b>A field-replaceable lifeline option.</b>	In the event that the webbing should become damaged, this option provides a field-replaceable web lifeline, eliminating costly returns to the manufacturer. The APTURA LT30 SRL is the first 30' SRL on the market to offer this feature. This greatly reduces cost of ownership and customer down time.
<b>A 400 pound working capacity</b>	Eliminates the need to custom order a product for a worker exceeding 310 pounds
<b>No annual factory re-certification required</b>	The high-quality, engineered design not only reduces the cost of ownership, but also eliminates down time.
<b>A durable, engineered high-impact thermoplastic housing</b>	Decreases weight to increase user acceptance
<b>Rugged, impact-absorbing protective bumpers</b>	Increases durability
<b>A Lightweight design starting at 7.5 pounds</b>	The very light weight increases user acceptance
<b>Lifeline length options from 13' to 30'</b>	Allows the user to get the exact length they need for their specific application.
<b>Integral load indicator</b>	Alerts the user that the unit has been involved in a fall and that the SRL must be removed from service
<b>Label Pack with cover label</b>	All labels are located in the same area to make it easier to find important user information. The cover label protects the label pack from environmental damage, increasing product life.
<b>An innovative design offers a cool, sporty appearance</b>	Increases user acceptance of product
<b>Assemble-to-Order process</b>	Allows you to order exactly the options you want, and only the options you want
<b>SRL Connector Options</b>	Allows for the unit to be used in a wide variety of applications. It also allows the user to choose the type of connector they are most comfortable with, increasing user acceptance
<b>Harness Connector Options</b>	Allows for the unit to be used in a wide variety of applications. It also allows the user to choose the type of connector they are most comfortable with, increasing user acceptance
<b>Price Options</b>	Allows the SRL to be sold into virtually any market
<b>The APTURA LT30 Self-Retracting Lanyard</b>	The most versatile and unique SRL available today
