

**World-Renowned Gas Protection**

Based on over 45,000 units sold to industrial customers worldwide.

**It Can Take Heavy Use**

Field proven through years of use in the heaviest industrial environments.

**Ready When Needed**

Fast warm-up time means no waiting for your protection.

**Know What's There—Full Time!**

All gases continuously monitored for optimal customer safety.

**Flexible to Meet Your Needs**

Can read up to five gases at once with lots of accessory options.

**Too Much For One Day?**

Short-term and time-weighted average alarms let you know if persistent exposure is a problem.

**Simplicity Means Less Training**

Leads market in straightforward, pushbutton operation. None easier.

**Calibration and Records a Snap!**

Optional automated calibration system ensures safe operation and reduced technical training.

**What's the Weather Today?**

No need to worry—weather resistance is built in.

# The Watchman® Multigas Monitor

## Assemble-To-Order System and Pricing Guide

### Approvals and Standards/Replacement Parts/Kits

**Approvals and Standards**

The Watchman Multigas Monitor meets intrinsic safety testing requirements for use in Class I Division 1, Groups A, B, C and D; Class II Division 1, Groups E, F, G; and Class III hazardous locations.

**Battery Packs**

	Part No.	List Price
Heavy Duty NiCad	814127	\$280.50

**Battery Charging**

	Part No.	List Price
Standard 120 VAC	494716	\$91.47
Standard 220 VAC	495965	\$102.23
Vehicular, 8–24 VDC	710423	\$156.04
Five-unit Charger	801759	\$597.24

**Datalogging**

Data docking modules	804679	\$708.90
