1. PROTECTION

CF-Continuous Flow  
 SA-Supplied Air

2. CAUTIONS AND LIMITATIONS

- D- Air-line respirators can be used only when the respirators are supplied with respirable air meeting the requirements of CGA G-7.1 Grade D or higher quality.
- E- Use only the pressure ranges and hose lengths specified in the User's Instructions.
- J- Failure to properly use and maintain this product could result in injury or death.
- M- All approved respirators shall be selected, fitted, used, and maintained in accordance with MSHA, OSHA, and other applicable regulations.
- N- Never substitute, modify, add, or omit parts. Use only exact replacement parts in the configuration as specified by the manufacturer.
- O- Refer to User's Instructions, and / or maintenance manuals for information on use and maintenance of these respirators.
- S- Special or critical user's instructions and / or specific use limitations apply. Refer to User's Instructions before donning.
