Discontinuation of Firehawk M7XT SCBA

**MSA North America
Ryan Lab**
1100 Cranberry Woods Drive
Cranberry Township, PA 16066

Dear valued customer,

724.776.7700

Due to the overwhelming success of the G1 SCBA, MSA has made the decision to no longer maintain two NFPA SCBA platforms. As such will not seek 2018 NFPA 1981 & 1982 approval for the MSA Firehawk M7XT line of SCBA and will discontinue the manufacture and sale of this line of SCBA effective December 31, 2017.

MSA recognizes the large number of units currently in service and we will continue to support these valuable customers with field support. Replacement parts will be made available until December 31, 2027 or until component parts are no longer available, whichever occurs first.

Customer satisfaction remains top of mind for us here at MSA. Should you have questions or concerns please contact your local sales representative or MSA Customer Service at 1-800-MSA-2222 Thank you for your cooperation and understanding.

Sincerely,

A handwritten signature in black ink, appearing to read "Dennis Capizzi", written over a large, stylized letter "D".

Dennis Capizzi
Fire Service Marketing Manager
