Dear MSA Customer,

Effective December 31, 2016, MSA will discontinue all Galaxy Automated Test Stands. MSA will honor all warranty repairs for the Galaxy Automated test Stands. Repair parts for Galaxy Automated Test Stands outside of the warranty period will be available for two years or as supplies last.

We are honored that you have trusted us with your portable gas detection needs and sincerely appreciate your business. We have a number of promotions and loyalty programs in place to help you transition to the ALTAIR line of portable gas detectors and the GALAXY GX2 for automated bump and calibration testing. Please contact your local MSA distributor for details, or contact MSA Customer Service at 1-800-672-2222.

Regards,
