

ALTAIR® Refresh Program

ALTAIR 4X Multigas Detector and ALTAIR 5X Multigas Detector

MSA Refresh Program

The MSA Factory Service Department is offering an instrument refurbishment program for the ALTAIR 4X Multigas Detector and the ALTAIR 5X Multigas Detector. For a flat fee, your instrument will be thoroughly examined, serviced, and completely refurbished with the following:

- ALL NEW SENSORS- New sensors will be installed and your unit will be calibrated to factory specifications.
- Standard sensors (LEL, O₂, CO, H₂S) are included.

** Additional charges will apply for toxic gas sensors, at list price.*

- Housings
- Filter(s)
- Gasket(s), pump (ALTAIR 5X Multigas Detector only)
- Labels

This service will be provided by factory-trained skilled MSA Service Technicians and will have your unit looking and performing like new.

Pricing* and Program** Details
