

Our Service Centers and Field Service are Here to Support You!

MSA is considered an essential business and our factories, service centers and field service teams have been operating throughout the pandemic to provide safety equipment and services to our customers.

Let us know how we can help your organization prepare for a return to work under the new normal. MSA can help with your safety equipment maintenance, repair or rental needs as well as gas detection calibration and service.

Now could be an excellent time to consider service or maintenance for your safety equipment and take advantage of the following discounted offer.

Contact our customer service center at 1-800-672-2222 to request service or email us at:

USA

us.cs@MSAsafety.com

CANADA

Summer Service Special Discount:

Mention Summer Service Special when requesting service and receive **an additional 10% off** your standard price for your service or rental.

Note: Offer available July 1, 2020 to August 31, 2020. Must mention discount at time of service request. Not valid on pre-existing services, agreements or rentals initiated prior to July 1 or planned to take place after September 1.

MSA takes safety very seriously and has plans and protocols in place to help keep our employees, customers and visitors safe. MSA has been actively monitoring the COVID-19 situation and modeling our actions to the U.S. CDC and WHO guidelines. We will continue to adapt our protocols as guidance evolves.

Visit our service websites for more information on the safety equipment services and rental equipment available from MSA:
