How it Works:

- 1 Register for or host one of the specified training courses outlined above (<http://us.msasafety.com/training>).
- 2 Attend the training course.
- 3 After successful completion of the training course, you will receive an email explaining how to retrieve your certificate. You will also be provided with a promotion code and instruction sheet that can be presented to any AUTHORIZED MSA Channel Partner for additional discounts as outlined above.
- 4 You must provide the Authorized MSA Channel Partner with the promotion code, instruction sheet and a copy of your MSA training certificate.
- 5 Your MSA Channel Partner will provide these additional savings on their standard quotation.

Terms and Conditions:

- Promotion is valid for end users who participated in one of MSA's eligible training courses conducted on or before August 31, 2017.
- All qualifying orders must be placed by October 31, 2017.
- The promotion is valid for 60 days from the date the training certificate was issued.
- A copy of your training certificate and the promotional code (provided to you in your letter) must be provided to the distributor when placing a qualifying order.
- Distributor discount is not valid with any contract or special pricing.
- Channel Partner purchase orders to MSA must include the promotion code provided to the training participant as well as a copy of the customer's training certificate.
- Allowance is per unit and will be deducted from the standard price and is not valid with any other promotion or special pricing.
- Qualifying orders **must be drop-shipped to the end user**.
- Ground freight will be prepaid by MSA for any orders falling under the minimum freight requirement.
- MSA reserves the right to cancel or modify this offer at any time.
- MSA Customer Service: deduct allowance from Channel Partner net price and enter promo code in order notes.
- Questions – please email our training department at training@msasafety.com.
