

# PROTECTOR

While battling a blaze on the second floor of a house, the floor gave way, sending me headfirst into the garage below. The roof collapsed shortly after, trapping me under the burning rubble.

I am grateful I was equipped with my Cairns® N6A Helmet. Not only did it protect me from the fall, but it kept heavy roof timber from crushing my neck and head.

Your products can and do make a difference everyday in the lives of firemen. **THANK YOU MSA** for the craftsmanship, quality and pride that you put into each of these helmets.
