

# FRAPANTOL®

***Creamy, special skin cleanser for light skin cleansing.***

**Description**

FRAPANTOL® is a creamy, special skin cleanser featuring mild cleansing power and good skin compatibility. It is designed for all types of light contamination which could otherwise only be removed by using scrubbing agents and solvents.

**Area of application**

Light-grade dirt caused by dust and grease. FRAPANTOL® can also be used to clean the whole body. Can be used in Food Industry applications.

**Instructions for use**

- Rub a few squirts of FRAPANTOL® on to the soiled areas of skin.
- Once dirt starts to loosen, continue washing using just a little water.
- Thoroughly rinse off dirt and FRAPANTOL® using plenty of water.
- Dry carefully.

**Product description**

Viscous, perfume-free, uncoloured, water-soluble, pearlised liquid.

**Features and Benefits**

Product Features	Benefits
with skin-smoothing conditioner	▶ improved skin feel after washing coupled with caring effect on the skin
non-soapy	▶ helps to stop the skin swelling, such as may frequently be observed where soap is regularly used
does not contain any perfumes or colourants	▶ ideal for people who are sensitive to fragrances ▶ does not impair food quality
pH value matched to the skin	▶ helps to maintain the natural acidic protective mantle, whose function includes protecting the skin from bacterial and fungal infection
contains high-quality ingredients	▶ very good skin compatibility ▶ can be used all over the body, and even on sensitive skin
very easily biodegradable surfactants	▶ does not pollute waste water or the environment
no adverse effects when vulcanising rubber <sup>1</sup> or painting surfaces <sup>2</sup>	▶ does not interfere in any way with production processes
