**Expedited Delivery Program
for Fall Protection Products**

MSA
The Safety Company

Need it **NOW**? Call MSA!

Need it NOW! is a new delivery program from MSA that's designed to get you the products you need, when you need them —**NOW**!

Two tiers of priority shipping are offered under the **Need it NOW!** delivery program:

- **Tier I** includes MSA's most popular products. Tier I delivery offers **same day or next-day shipping**, with **over 100 product choices!**
- **Tier II** delivery offers **shipping within 5 days**, with **over 400 product choices!**

Products included in this program are identified by the following symbols:

- Symbols with a 1 denote Tier I product status **1 1**
- Symbols with a 2 denote Tier II product status **2 2**
- **Black** symbols denote that the maximum order quantity for priority shipping is 100 units **1 2**
- **Red** symbols denote that the maximum order quantity for priority shipping is 50 units **1 2**

Visit our website at www.msanet.com for a complete list of **Need it NOW!** products and to view complete program terms and conditions.

Need It NOW! Delivery Program Terms and Conditions

Orders must be entered by 2:00 PM ET to be eligible for same day shipping. Orders for Tier 1 items not entered by 2:00 PM ET will be shipped the next business day. All orders will be shipped ground unless specified by the customer at the time of order.

Orders for quantities in excess of the stated maximum order quantity are excluded from this program. In addition, ship complete orders, will-call orders, orders with multiple shipping locations, and orders for shipment outside of the US and Canada are excluded from this program. Customers must have a good credit rating with MSA for their orders to be eligible for the priority shipping defined under this program.

Products included in the Need It Now! delivery program are subject to change without notice. MSA standard order terms and conditions also apply to this program.

Note: This Bulletin contains only a general description of the products shown. While uses and performance capabilities are described, under no circumstances shall the products be used by untrained or unqualified individuals and not until the product instructions including any warnings or cautions provided have been thoroughly read and understood. Only they contain the complete and detailed information concerning proper use and care of these products.
