

Releasable Assault Vest for BALCS Armor

Product Description

Releasable assault vest fits BALCS armor. Modular components for individual and team flexibility meet your mission-specific needs.

The RBAV is MSA Paraclete's latest state-of-the-art modular tactical vest designed to fit the BALCS armor cut. The RBAV is the perfect choice for tactical operators who want all the features of our patented cutaway release system modular vest while maintaining the functionality of their BALCS soft armor.

Key Features:

- ✦ Patented single-point release system allows user to remove fully-loaded tactical vest instantly and completely by pulling a single low-profile cut-away handle.
- ✦ Designed to carry BALCS cut soft armor. BALCS armor is available in Dyneema, Twaron, and Goldflex packages.
- ✦ Front and rear pockets for E-SAPI style rifle plates with hook-and-loop closure system.
- ✦ Internal side plate pockets hold standard 6"X 6" and low-profile hard plates with hook-and-loop closure.
- ✦ Includes internal adjustable cummerbund and elastic harness to provide a snug fit and accommodate multiple waist sizes.
- ✦ Low-profile shoulders for routing wired communication and hydration tubes.
- ✦ Reinforced back drag strap for quick recovery.
- ✦ RBAV is offered in two unique front-closure designs for preferred comfort.
- ✦ Zip-off back panel allows quick configuration of the vest to meet your mission-specific needs.
- ✦ MOLLE webbing accommodates all MSA Paraclete and MOLLE-compatible modular pouches.
- ✦ Modular ballistic components sold separately.
