

LEASE-TO-OWN PROGRAM FOR MUNICIPALITIES (ANY DEPARTMENT) AND VOLUNTEER FIRE DEPARTMENTS***

Today, when municipalities and volunteer fire departments must watch budgets and expenses carefully, MSA can help. The MSA Lease-to-Own Program can help you to obtain MSA equipment on terms that will fit your budget. Whether your department needs MSA SCBA, thermal imaging cameras, or combustible/toxic gas detectors – MSA can help.

The Lease-to-Own Program:

- Is an extended payment plan available to municipalities (any department) and volunteer fire departments.
- Means customer will own the equipment upon completion of lease.
- Has a minimum purchase price of \$5,000.

MSA is the #1 manufacturer providing quality products to the fire service market.

MSA's network of fire service distributors provides the quality equipment and service to meet your needs and help maintain your equipment in top-notch condition.

For additional information, contact your local MSA Fire Service Distributor:
