Horizon® & SureRail® Horizontal Lifelines

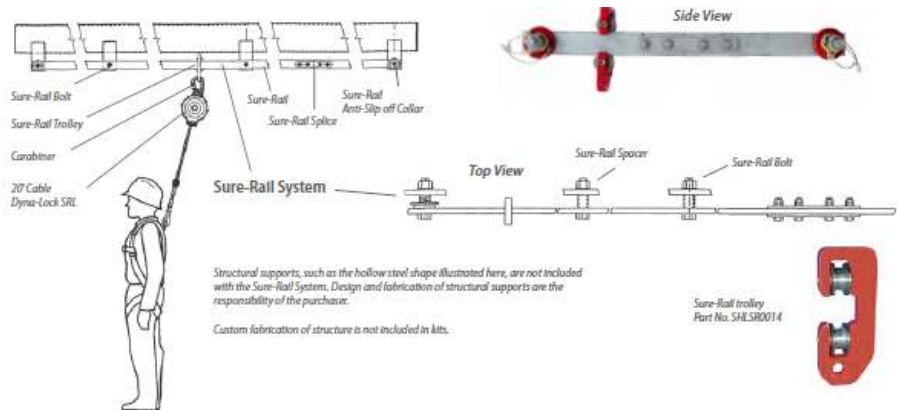

PITTSBURGH, Oct 2016 – Please be aware that MSA Fall Protection will be officially discontinuing the Horizon & SureRail Horizontal Lifeline products. These products lines have long been high-performing options for MSA Engineered Systems, but have been made redundant by our new line of Latchways® Engineered Systems. Latchways Engineered Systems is the leading global brand for working at heights horizontal & vertical climbing applications and are extremely durable, easy to service, provide a lower cost of ownership and include new & exciting features that provide excellent safety, performance, and affordability.

These Horizon & SureRail products will be eliminated as of December 31st, 2016 globally.
