

# Key PPE for Disaster Response

Priority Items for Storm and Flood Cleanup

*The destruction that is brought on by natural disasters can bring great uncertainty. In times of uncertainty, it's best to focus on the priorities. Priority items identified here are based on our experience in dealing with multiple disaster-related cleanup and recovery efforts. MSA has made it a priority to make and keep these items available for your critical needs in times of uncertainty.*

*Because every life has a **purpose...***
