To Whom It May Concern:

MSA would like to make you aware of a short term supply chain disruption which requires that we temporarily modify the outer packaging (box) for part number 815177 CARTRIDGES,COMFO L-PROFILE,P100, 10/PKG.

Due to this situation, MSA will be making a temporary change to the packaging of the 10-pack of Comfo Low-Profile, P100 cartridges. MSA will utilize a standard cardboard box (either white or brown) and affix the appropriate and required labels while keeping the contents to a 10-pack of cartridges (reference picture for the white box below). The interior of the box may also include overpack material as well to protect the contents from any shifting in transit. Rest assured, this is a temporary situation, and we will ship in the normal box as soon as it is made available to us by our supplier. Updates will be provided once the date of this availability is known.

We understand how this situation has impacted our deliveries on this item. We apologize for this situation and are taking the necessary steps to ensure that we are able to meet your needs as quickly as possible.

We appreciate your understanding and if there are any questions, please feel free to contact customer service at 1-800-672-2222

Best Regards,

Brian J. Bunofsky
